

Welcome to Honors Geometry!

My name is Mrs. Hofferber. I know we are starting this year in a challenging way, I am excited and up for the challenge!

I sent students email invitations to Google Classroom yesterday (Thursday August 6th). Many students have already accepted the invitation! I am looking forward to getting to know each of you. Please accept the invitation before Tuesday. If you did not receive the invitation, please email me at lhofferber@hartdistrict.org.

Google Classroom will be the “go to” site for students. I do have a website where you can find a calendar of assignments, due dates, and assessment dates. The site is <https://hofferber.weebly.com/>.

Other websites that I will use are edpuzzle and goformative. I have used these in the past and am comfortable with them. As we progress, there may be other sites that I will utilize. I will provide brief introductions to these sites to make sure students know how to navigate them. Links for assignments involving any website will be provided in Google Classroom.

If you have any questions, please feel free to email me.

WE GOT THIS!

Mrs. Hofferber
